

THE NATIONAL SHRINE OF

Mary

MOTHER OF THE CHURCH

September 8th, 2021

Many days passed before Almighty God finally completed the masterpiece of His creation. For nine months, the soul of Mary had given form to her virginal body, and the hour, the moment, of her joyful birth to Saints Joachim and Anne approached.

She is the Living Word in the world of today, the vibrant Magisterium who absorbs the world's questions and challenges in every age and gives them compelling answers. Tradition for the Church, then, is not just a jewel to be guarded. Tradition is forward-looking, dynamic, and active. And this positive tradition continues to celebrate the birth of the Virgin Mary because it was she, the last great figure of the B.C. era, whose birth itself gave birth to a new world. No Mary, no Christ. Her birth was the start of the future we all now inhabit.
